

Greenwood Fund Continues To Grow

Newmarket — Contributions keep coming in for the Allan Greenwood fund. Another anonymous person left a \$5 bill at the police station. Chief Constable Burbridge said "someone from out of town dropped it in at the office but didn't leave his name." Last week Mr. Burbridge had a \$5 bill placed in his hand by a motorist who was passing through town.

The Greenwood Fund was started for Allan Greenwood who lost his left foot in a hay accident a month ago. The fund is under the temporary trusteeship of Mayor Jos. Vale, as chairman, Clerk Wesley Brooks, as treasurer, and Editor John Meyer, as secretary. The purpose of the fund is to allow Allan to complete his education. Contributions can be made at any Newmarket bank or The Era and Express office, Main St.

Aurora Carnival To Be Big Show

Aurora — A monster carnival will be held on Friday evening, Aug. 13, and Saturday, Aug. 14, by Aurora Canadian Legion in the Aurora town park. Complete with rides and ferris wheel, the midway will be the largest ever held in the district. There will be something to suit every taste and the giant bingo booth will feature a wide variety of new and unusual prizes. Cars can be parked on the grounds from the entrance on Wells St.

On Saturday afternoon, under the auspices of the Aurora Cycling club, a handicap tri-cyle race, boys-under-12 bike race, boys-13-16 bike race, and 5-mile race will be held with the course around the town park. On Friday night, there will be a North York amateur show. Entries are still being received; so far entries have come from Zephyr, Jackson's Point, Lake Wilcox, Aurora, Newmarket and King. On Saturday afternoon a juvenile amateur show will be held at 3 p.m. in the theatre.

COMING EVENTS

Winners from this show and Friday night's contest will be eligible to compete in the open show on Saturday night at 7.30 p.m., which already has attracted entrants from as far away as Kitchener, Galt, Niagara Falls, Hamilton, and other points. Winners on the shows in addition to receiving fine prizes will receive radio auditions in the fall. Judges for the three shows include Harvey Dobbs, radio announcer, William Shields, public relations counsel, John Meyer, Newmarket, Bayard Bryant, Woodbridge, and Mrs. Walter Rolling, King. Mr. "Ab" Hulse will be master of ceremonies.

Six big prizes donated by Aurora merchants are an electric washer, combination radio, smoking stand, pair of shoes, electric fan and Handi-Chef. Saturday afternoon will be children's afternoon and special prizes will be on for the kiddies. A giant fishpond will be a popular feature. Candy apples, candy floss, hot dogs, and over 30 different midway attractions will provide a solid round of merriment and fun. The Ladies' Auxiliary have a fine array of food ready at popular prices. Homemade candy will be on sale as well. Carnival proceeds go to the Legion building fund.

MRS. KATHERINE THORLEY
Aurora—Funeral services were held on Wednesday for Mrs. Katherine Thorley, Toronto, one-time Aurora resident, who died on Monday. She was born in Aurora and her maiden name was Wells. Her parents were proprietors of the Queen's Hotel. She was a member of the Church of England and her husband predeceased her some years ago. She is survived by one son, Gordon, Toronto. Interment was at Aurora cemetery.

Mr. and Mrs. George Climpson and family have moved to Uxbridge where Mr. Climpson has purchased the former Merri-ck's Dairy. Mr. Climpson is a former employee of the Newmarket Dairy and Creamery Co.

CORRECTION
Newmarket—In last week's issue it was stated that Mr. and Mrs. Chas. Newton celebrated their 50th wedding anniversary on July 31. It should have been they will celebrate it on Tuesday, Sept. 7.

Bad Weekend For Motorcyclists

Newmarket — Six motorcycles driven by Lonesome Polecats, members of the Newmarket motorcycle club, piled up south of Sharon last Sunday and Orla Larsen, 19, Simcoe St., Newmarket, was taken to York County hospital suffering from cuts and a dislocated shoulder. The six were headed for a sand dune area north east of here for driving contests.

While passing a group of machines in a procession of six, Larsen sideswiped a southbound auto and collided with the machines sending them all into a jam. Harold Foot, Aurora, Don Mills, Harold Rogers and Harold Usher were slightly injured. On Saturday, Lloyd Powell, 20, Tecumseh St., Newmarket, crashed his machine into a truck at Holland Landing. Raymond Sherrard was riding on the back. Powell had his hand fractured.

Last Rites Held For Menno Smith

Menno Smith died at his home at Edgeley, July 30, 1948, after an illness of almost three weeks. He was born January 31, 1869, on the farm where he lived and died. His parents were Sarah Snider and Samuel Smith.

In February, 1899, he married Marietta Atkinson. A retired farmer, he was a member of the Mennonite Brethren in Christ; his chief interest was in farming. Surviving are two sons, Allen, on the home farm, and Cecil, who farms near Woodbridge, a daughter, Mrs. Warren Reaman (Hazel), Langstaff, a brother, Jerry Smith, Richmond Hill, and two sisters, Mrs. Joshua Hiltz (Nancy), Gormley, and Mrs. Jesse Baker (Sophia), near Concord. There are four granddaughters surviving.

He was the fourth generation to live on the same farm. His grandfather was six years old when he came from Pennsylvania to settle on this farm in 1788. The funeral service was held at Edgeley, August 2. Rev. F. Huson had charge of the service and Rev. M. Bricker gave the sermon. Interment was in Maple cemetery. Pallbearers were Alvin Farmer, Clarence Doner, Frank Harvey, John Elliott, Sam Winger and Gerd Hercher.

Lions Plan Picnic At Lake Simcoe

The Lions Boys' and Girls' committee are pleased with the attendance to date at their summer sport program. Plans are now complete to make it worth while for the young fry who regularly attend the school. Those with the highest marks for being on the job are going to be rewarded with a picnic on the last day of the school, Friday, Aug. 20. The Lions are going to do it up right taking all to Lake Simcoe for swimming, races, prizes and all the trimmings. So "mom and pop," Junior and Sister Sue can keep in the swing of things, learn to play the game and can bring you home a bag full of prizes for regular attendance. This is the good word from Stan Smith, spokesman for the Lions Summer program.

One note of chagrin creeps into the Lions fanfare. That is the fact that a group of the older boys and girls are damaging equipment over at the park, in after hours kibitzing. The pony cycle had to be dismantled for one thing. It was broken on two or three occasions and is down permanently due to some of the larger boys overtaxing the children's equipment.

The older boys and girls should go for softball and other games in the evenings and leave the baby swings to three, four and five-year-olds.

Program director Francis Hollingsworth announces Bob Broadbent had the highest mark of the week, attendance and team games, with Bill Thoms and Bob Attwell in a dead heat for second.

NOT TO TRAIN AT S.A.C.
Brooklyn Dodgers American pro football club, originally scheduled to train at Aurora's St. Andrew's College, will not be seen locally as arrangements between the team and the college failed to materialize. The Dodgers will train in the States but may possibly spend some time in Canada with their farm club, Montreal Alouettes.

BON VOYAGE
A bon voyage party for Miss Shirley Cass was held by her friends at the home of Mr. and Mrs. Ivo Ramon on July 30 with about 35 present. Miss Cass left yesterday for a three months' visit in England.

Lions Carnival Brings Tent Show

Newmarket — The Lions club carnival committee has secured outstanding talent for the tent show at the two-day carnival, August 18 and 19, where young and old will be entertained by Ted Rust, Toronto, a ventriloquist who was featured for some years on Buffalo radio stations and is rated one of the best men in his line of entertainment.

Besides Ted Rust, there will be Nick Brown with his piano accordion. He recently arrived from Scotland and is one of the newest in Toronto's list of outstanding entertainers.

Most of the Lions club funds are raised in this annual carnival which is Wednesday and Thursday next week. One of the main items in Lions activities is child welfare work. In the last year, ending June 30, 1948, the club spent \$1,034.30 on milk, sending youngsters to the Sick Children's hospital and other hospital care and treatment for children.

Donations amounting to \$1,354.30 went to other worthy organizations and clubs in town. Besides this, the Lions have given time and money to dental and eyeglass treatment, park and playgrounds, sports equipment, tonsil cases, overseas parcels and Christmas baskets.

The carnival with its games and amusements at the club park should draw good crowds and the people of Newmarket are assured that the proceeds from the show will go into good work.

Queensville Day On Saturday

Golf Shield Here For Third Year

Aurora — The Jarvis Shield, emblematical of the golf championship of Aurora Highlands Golf club, will rest on a Newmarket mantelpiece for the third straight year. On Friday last, Bill Sherwood of Newmarket defeated Allan "Whitey" Jones over the 36-hole route in match play, seven up and six to play. Both men played fine golf but Sherwood was steadier and had his putter well under control. For the past two years the trophy has been held by Larry Molyneux, who was eliminated by Jones in the semi-finals.

David VanNorman Killed At Sudbury

David Bicknell Van Norman, 22, only son of William E. Van Norman, manager of the Bank of Toronto, Sudbury, and formerly of North Gwillimbury, was instantly killed at the Copper Cliff smelter of International Nickel Co. August 3.

Mr. Van Norman was sampling melted ore when some spilled out of a ladle and exploded on the floor and caused an explosion killing him and causing severe injuries to many others. The funeral service was conducted by Rev. C. Fockler at the Strasser Funeral Home, Queensville, on Thursday, Aug. 5. Interment in Queensville cemetery. The pallbearers were Perry Winch Jr., J. Ausman, Arthur Ausman, Roy Draper, Earl Draper, and H. Alder of Keswick.

LEGION PICNIC

Aurora—The first annual picnic of Zone E2, Canadian Legion, will be held at Edgewater Beach, Jackson's Point, on Sunday, Aug. 22. The Sutton branch will have charge of the arrangements with George Lamont convening the event. The day is especially planned for the children and ladies and a large turn-out is anticipated.

John West, who underwent a serious operation in Western hospital, Toronto, on July 20 is up and around again.

Find Out Costs Of Town Planning

Aurora — Consultant, secretarial and surveying services for the Aurora Town Planning board have cost the municipality \$406.00 so far. Plans for Mr. Lorne Cousins' sub-division have been approved by the board and two other surveys are now under consideration.

Slides for installation in Aurora parks cost the municipality \$267.78. Uniforms and caps for the Aurora constabulary totalled \$165.12 in price. County of York hospitalization for Aurora hit a new low in July totalling only \$137. This was offset somewhat however by charges of \$46.00 from the Ontario Hospital at Whitby.

Near-Record Crowd At Sutton Horse Show

The three-day exhibition of the Sutton Agricultural Society saw a near-record set in attendance and entries last week.

Nearly 5,000 persons paid admission to the grounds on the last day of the show to see the livestock judging and horse show. The horse show was featured by a drag hunt with the "kill" taking place in front of the grandstand.

The party in their pink coats could be seen from the grandstand during the whole hunt, which was over a distance of two miles. It is the first time such an exhibition has been attempted at the Sutton fair and it met with the crowd's approval.

Entries were so numerous that stable accommodation could not be provided. K. N. McAuley, treasurer of the Sutton Agricultural Society, said that next year a new barn would be raised to accommodate horses.

"The number of entries is much larger every year. However, we expect to have enough accommodation with the new barn," he stated.

In the women's division Mrs. Alyward Marritt, Sutton, had the largest number of exhibits, with 89. Mrs. W. J. Webster, Udon, won a prize for mass exhibit in the quilt section with 14 on display.

In the hobby exhibit, 16-year-old David Bailey, son of Mr. and Mrs. Eric Bailey, Elm Grove, walked away with the first prize. He showed a model barn with the stables, hay loft, etc., carved by hand.

Mrs. Ira Lowe, Udon, captured the Simpson silverware prize for having the greatest number of firsts with a total of 46 points. Runner-up was Mrs. A. Marritt, Sutton, with 42 points.

In the baking competition of the Women's Institute section, Pefferlaw W.I. took first place, Keswick was second and Union Street third.

TRUCKERS RAISE RATES

Aurora—Because of increased operation costs, members of the North York Truckers' Association have advanced the haulage and handling costs for livestock five cents per hundredweight. This affects the farmers of King, Whitechurch, East Gwillimbury, North Gwillimbury and Georgina towns. The rates are comparable to those paid elsewhere, according to officials.

AT ST. ANDREW'S CHURCH
Aurora — Rev. M. E. Burch, Mimico, will occupy the pulpit of St. Andrew's Presbyterian church next Sunday. At Aurora-Baptist church the B.Y.P.U. will have charge of the day's services.

King Recalls York Election

Ottawa—In an address to the editor of The Era and Express following his address to open the Liberal convention here last night, the Rt. Hon. William Lyon Mackenzie King said he could never thank the people of the riding of York North enough for electing him as their representative in 1921. It was the first election for Mr. King following his elevation to the leadership of the Liberal party in 1919.

"I will always be grateful to have had an opportunity to represent the riding of York North," he said. "The riding was represented by my grandfather, and when I ran there, it was a source of utmost satisfaction to be associated with such Liberals as Sir William Mulock and Sir Allan Aylesworth."

Alex Hill Drowned Yesterday

Newmarket—Alex. Hill 19 Niagara St., operator of the Co-op Hatchery, drowned in Lake Simcoe yesterday and his companion, Murray Baker, was saved by clinging to an over-turned boat.

Both men were attending the Church of the Nazarene camp near Pefferlaw on the Pefferlaw-Black River. About 5.30 p.m. they decided to go for a jaunt in Lake Simcoe. When the lake turned rough and a rain squall blew up, the men decided to return to shore.

Less than a quarter of a mile from land, the motor died and the boat was overturned by the high waves. Baker managed to cling to the side of the boat, but Hill vanished.

Joseph Manly, who was sitting on the verandah of his cottage, saw the boat in trouble and he dashed to the beach where he had his own outboard motor boat. He was able to rescue Baker.

Dragging operations for Hill are being carried on today.

Excavation Continues, Fairey Lake Deepened

College Teacher Takes Olympic Third

Norman Rane, mathematics master at St. Andrew's College, Aurora, finished in third place at the Olympics yesterday in the canoe finals. Coming in first was Czechoslovakia with Italy second.

Rane is the Canadian singles champion and paddled for Balm Beach. He and Mrs. Rane have resided at the college since 1941 when he went on the staff.

Canada won the singles in 1936, taken by Frank Amyot at Los Angeles. Rane's third place is the highest point scored so far by a Canadian athlete in the summer sports at the Olympics.

Family Reunion Held At Snake Island

About 90 relatives gathered at the adjoining cottages of Mr. and Mrs. Herbert Shropshire, Weston, and Mr. and Mrs. Percy Travis, Toronto, on Snake Island, July 18, to celebrate the 86th birthday of Mrs. Susie Dutcher and bid farewell to Mr. and Mrs. James Irwin and son, Clare, Winnipeg, Man.

Mrs. Dutcher's daughters attending with their families, were Mrs. Mae Travis, Mrs. Edith Cutting, Mrs. Lydia Hammon, Mrs. Mildred Morris and Mrs. Minnie Codlin.

Mrs. Irwin's brothers, Elmer, Wilbur and Herbert Shropshire, and sisters, Mrs. Mathew Duncan and Mrs. A. Rose, were all in attendance with their families.

Others attending were Mr. and Mrs. Wilmot Mark, Valencia, and Mr. Howard Rose and son, David, Temiskaming, Que.

FREAK TRACTOR ACCIDENT

The question of who can handle a tractor better, father or son, was given an answer last week in King township. A well known district resident jocularly remarked to his son, he could handle the large load of grain going to the barn better. "It's all yours, Dad," said the son, handing over the controls. Dad started out with a bang, negotiated the trip to the barn in record time, made the trip up the ramp in fine style, but misjudging, he failed to apply the brake in time. He made a three-point landing, knocking out one side of the barn and buried the passage-way with grain. Fortunately no one was injured but Dad is taking a bit of kidding these days.

COMPLETES ART COURSE

Aurora — Miss Frances Moore has completed her three-year course at Central Technical School and graduated with honors in art. Peggy Gunton and Joan Hill obtained honors in second year art at the same school.

Newmarket—Fairey Lake has been drained and an excavating machine has taken out tons of silt from the north east corner of the pond in the last three days. A town council committee had the work started last Wednesday, making it a job with a two-fold purpose by filling in the Widdifield Park area, on the other side of Water St. with the silt.

The excavation of the south end of the lake which will approach a depth of 12 to 15 feet may take up enough water to allow the higher ground, where the lake was most shallow, to be drained and dried. This would simplify the cleaning up and improving of the Fairey Lake area which has been under discussion at previous council meetings.

Work is still going on at the pond today.

Auxiliary Zone Rally Friday, August 20

The annual zone rally of the Ladies' Auxiliary of the Canadian Legion will be held at the Sir Arthur Currie hall, Toronto, on Friday, Aug. 20, at 8 p.m. A bus is being chartered by the Newmarket branch for the occasion. All members who will be able to attend are requested to contact Mrs. W. Oliver, phone 9873, before Saturday, Aug. 14, so that all arrangements can be completed.

BAND CONCERT

Aurora Lions Boys' band will give a concert in the Aurora town park Sunday evening, Aug. 16, at 8.15 p.m. A fine program and sing-song has been arranged by Bandmaster Robert Moore and the proceeds from a silver collection to be taken will go towards the proposed band shell for the Aurora town park. There will be seating facilities available and the event sponsored by the Aurora council and Lions club should attract a large audience.

BARN BURNED

Fire destroyed the barn at the farm owned by Duncan Tillett near Keswick over the weekend. The farm is rented by Mr. and Mrs. Smockum; they were awakened in the night by the barking of their dog when they discovered the flames from the barn. Frank Eastman, a neighbor, saw the blaze from his home and was soon on the spot to help. Neighbors took bags and coats to protect the nearby wheat while sparks were flying fast. Thirty loads of hay were lost but fire fighters were able to save the driving shed.

Recently some experiments conducted by the Experimental Farm at Vineland have shown very conclusively that we cannot go on year after year with clean cultivation in the orchard or vineyard with the occasional application of barnyard manure and commercial fertilizer and expect to get economical returns by way of good yields of grapes.

This is the first time that results of this kind have been published but now we can be quite sure that if certain practices are followed as regards the use of non-use of green manures, or humus in the form of straw, we will get certain definite results.

At this vineyard at Jordan, an experiment has been conducted from 1930 up to the present time and shows very definitely the influence of organic additions on grape yields. The results indicate that as the organic matter is built up in the soil the yields are definitely increased and when the organic matter is lowered yields fall off rapidly. In 1935 and 1936 straw was not used and the yields fell off decidedly in '37 and '38. When straw was used in the period from 1937 to '41 the yields increased reaching the highest point in '40 when the yield was 60 percent above the zero base line of 1930. In the years 1942 - '46 no straw was used and in these five years, the yield gradually dropped to the low of 1930.

The conclusions which I wish to draw from these statements are that there are three things which organic matter does to our soils. 1. It changes the texture of soil (physical). Clay soils are opened up and made more friable, and are, therefore, much easier worked. In sandy soils this same material organic matter acts in the opposite way and binds together the sandy particles thus preventing soil drifting and erosion.

Tests which have been made with average soils show that there is a difference of 4,000 lbs. (2 tons) in organic matter per acre between soil in the field and soil along the fence row which has been left in sod. This organic matter (humus) if increased by as much as 3 percent in the average soil will retain 7,000 gallons more water per acre.

The physical change in the texture of the soil should be of great interest to all horticulturists. This factor, the ease with which soils with plenty of humus can be worked is a tremendously important item to those of us who are cultivating our gardens by hand and especially for those who have clay or clay loam soils. No gardener can produce good crops of vegetables or flowers on hard, worn out soil. For both personal pleasure and profit as well as for the

of national self preservation and our Canadian way of life, we must shift from the highly wasteful methods required during the war of producing every possible pound of produce irrespective of its effect upon the soil, to a balanced system of land use that can be truly called conservation.

2. Organic matter when broken down gives a home for beneficial bacteria. (bacteriological). Nitrifying bacteria are working continuously and releasing nitrogen from the organic matter. However, when fresh straw, for instance, is applied to the garden soil, extra nitrogen is required to help break it down into organic matter. About 150 lbs. of nitrate of soda or its equivalent is required per ton of straw put on in the fall. In this way, the available nitrogen already in the soil is not absorbed by the decaying process of the straw and there is enough left to supply the growing plants with their requirements.

If the owner has a sufficiently large garden it would be advisable to follow a system of green manure crops, using such crops as winter rye at 2 bus. per acre or Domestic Italian Rye grass at the rate of 20 lbs. per acre after the early vegetable crops have been harvested, and allow this to stand over winter. This will hold snow, catch leaves and other crop refuse and prevent erosion loss of the rich top soil by wind and water during the winter months. A heavy growth of green manure should be plowed down at least two weeks before planting. Before plowing broadcast the fertilizer planned for the next vegetable or flower crop and turn under together.

PHONE 37M

In response to a letter from a
shut-in asking me to write about
any outings I have this summer,
I am writing this one about a
trip to Orillia. She says she
goes with me in imagination as
I tell about our trips and still
recalls our picnic to Musselman's
Lake last summer when a thun-
der storm hit us just as we were
about to sit down to supper and
how six of us crowded into the
one car to finish, the menfolk
having carried a picnic table as
close to the car as possible. We
didn't do too badly either and
plenty of fun and laughter aided
digestion. She says my descrip-
tion of the folks trailing back in
the downpour past the picnic
tables from the ball ground was
so realistic she could fairly see
and hear them.

But this time we had clear,
sunny weather, clouds scudding
along, but no rain and just de-
lightfully cool, ideal picnic
weather, except for those souls
who can't bring themselves to go
in for a swim if they think the
water will be cold. Those who
did go in said the water was
quite warm. While they were
swimming we took a trip in the
little motor launch round Lake
 Couchiching, a 35-minute trip. I
always enjoy that trip!

Going up and back we took
the highway on the east side of
the lake. It is now all paved
and even if it is longer, it is not
nearly such a busy highway as
No. 11 on Yonge St. You pass
through several small places
after you leave Sutton and Port
Bolster. I wonder if I can recall
them without referring to the
road map? Of course the large-
est is Beaverton and it is a thriv-
ing, busy place. The highway
from Whitby joins it just south-
east of Beaverton and adds to
the traffic. From there you look
across to Thorah Island, the
place I used to write about as
the home and nesting place of the
Blue Herons. If I tell you there
must have been 200 cars parked
along Sutton Main street you
will wonder what was doing.

Two hundred wouldn't begin
to cover all the parked cars. I
mean just those parked along one
corner to the next, as you turn
east along what the old timers
call the "seven mile stretch", be-
fore you turn again towards Port
Bolster. You see, it was Sutton
horse show and fair, so how
many more cars were parked on
side streets, it would be hard to
say. When we came home the
fair grounds were all brilliantly
lighted and there were still more
cars parked along every street.
We had to wind our way in and
out of traffic. Sutton must have
had a successful fair.

There was a big gathering also
at Belhaven, cars parked all
along both side and in the space
around the community hall,
where the annual Free Methodist
conference was being held.

When we arrived at the park
several picnics were in progress.

Release 500 Pheasants For Autumn Shoot

The municipal council of the
township of East Gwillimbury
held its regular monthly meeting
at Sharon hall Saturday, Aug. 7.
The members were all present.

Five hundred pheasants have
been released in the township of
East Gwillimbury for the fall
shoot. The following persons
have been recommended for ap-
pointment as deputy game ward-
ens: J. E. Jardine, Fred West,
Elmer Stickwood, W. Adams,
Donald Cooper, Wilfred Foun-
tain, Gordon Mainprize, Geo.
Longhurst and Frank McShane.

The treasurer was instructed
to refund certain tax sale re-
venue due to improper description
of the property.

A request was made by the
Holland Landing park board for
assistance in financing the com-
munity hall. The matter was
held over for legal advice.

The police village trustees of
Holland Landing have requested
that the old hall be sold. The
request has been turned over to
the legal department.

The following accounts were
passed for payment: Board of
Health, \$150.43; relief, \$433.14;
J. Jardine, \$125; Byron Ayl-
ward, fox bounty, \$3; N.
Hand, \$9; pheasant feed, \$26;
hospital accounts, \$80.32; S. R.
Hart, stationary supplies, \$21.00;
Dr. Sinclair, medical service,
\$17; W. H. Theaker, hall insur-
ance, \$25; D. H. Pines, stop
watch, \$15.63; Oris Maries, re-
lief tax sale purchase, \$105; L.
Farr, relief salary, \$10; J. L.
Smith, \$170; North York Jow-
men's Association, \$50.

Road accounts, oil and gas,
\$280.84; tools, \$14.00; repairs,
\$431.27; freight, \$12.30; culvert,
\$91.52; fence bonus, \$10; brush,
\$5; pay roll, \$1,488.40; super-
visor, \$170.

combined picnic of Aurora, New-
market and Orillia Sons of Eng-
land Lodges. There is room for
all kinds of picnics in those
spacious grounds and good ac-
commodation. You pass through
Atherley just before you reach
Orillia outskirts. It is on Lake
Simcoe and there seems to be a
river as well for we crossed a
bridge. You pass through Brech-
in and then through Gamebridge
where the Trent canal flows in-
to Lake Simcoe. The Trent canal
has been mentioned over the
air several times lately but in a
tragic manner, about drownings.
I am sorry to say.

There are camps and summer
homes all along the shore of Lake
Simcoe from Cook's Bay to away
past Beaverton. There are won-
derful summer homes along from
Port Bolster to away past Beav-
erton and as you drive along
after dark you see the electric
lighting as if it were the street
of a town. It is an old settled
part, served by the C.N.R. as well
as by motor the same as the col-
ony of Port Bolster, where there
is a wonderful beach. Of course
the part of Port Bolster farther
along was once a twp. park but
the shore is so high and steep
that you have a tremendous
climb down to the water and a
worse one coming back up.

I never go to Orillia but I visit
the marvellous Champlain Mon-
ument in Couchiching Park. I
have described it so often that
I'll spare you this time. It was
done by the famous March broth-
ers and sister. Champlain
stands on top of the high granite
monument which is raised up
five cement steps all around
from the ground. Wonderful
bronze figures, a Hudson Bay
agent bargaining with the Indi-
ans on one side, a missionary
holding up a cross above the
heads of two Indians. There, I
said I wouldn't say anything
about it and off I go describing
it.

Thousands of Gulls

I think the next best thing I
like about a trip to Couchiching
park is the gulls! They are wise
enough to gather round at meal
time and they certainly get well
fed. But I must tell about the
gulls we saw on the way up. A
farmer was plowing with a trac-
tor in a field and there must
have been thousands of gulls
there for the field was white
with them. We have seen them
before, following the plow, but
never so many as last Saturday.
There were a lot also in a field
across the road which evidently
had just been plowed. We also
saw several places where thresh-
ing was in progress and we knew
they were having an extra busy
day, both the men and the wo-
menfolk.

Whitchurch Seeks Share Of Liquor Fines

The twp. of Whitchurch will
share in the monies received for
fines imposed in that municipa-
lity under the Ontario Liquor Act,
it was learned at the regular
meeting of the municipal council
recently. Heretofore the
fines went to the province, and
the council under Reeve L. P.
Evans took steps to enact the
necessary by-law that would en-
able the twp. to collect a share
since their officers undertake to
carry out the provisions of the
Liquor Control Act.

At this meeting a request from
the town of Aurora suggested
that the twp. should pass a by-
law under sec. 23 of the Planning
Act declaring a strip of territory
five-eighths of a mile wide north,
east and south of Aurora as "ur-
ban development area". Coun-
cil rather approved of the idea,
but felt the depth of territory
was too great and Aurora will
be advised to this effect.

The Elwood Park Association
at Wilcox Lake asked that three
of their members which they
named in the request be furn-
ished with police badges but the
request was not granted.

UNION STREET

Forty-five ladies were present at the regular meeting of the Union Street Women's Institute held at the home of Mrs. Irvine Rose on Thursday evening, Aug. 5. The president, Mrs. Archie Sedore, occupied the chair.

A contribution of \$10 is being sent to the Allan Greenwood fund, Newmarket. An outstanding program given by the girls of the community was very much enjoyed by all. Edith and Catherine Diceman played several guitar duets. Current events were given by Betty Beckett. Evelyn English gave a reading, "When Grandma Comes To Our House," and an interesting paper on "The Ancient and Honorable History of Tea-Making," was read by Ida Bertolin.

A humorous reading, "Does Ma Wish She Was Pa?" was given by Jean Rose. Betty Beckett conducted a weed-naming contest with Mrs. Doug. Beckett and Mrs. J. Clark being the winners. The National Anthem concluded the program and a delicious lunch of sandwiches, cookies, tarts, cake and coffee was served by the members.

Mrs. Money, who has been visiting at the home of Mr. and Mrs. Irvine Rose for the past three weeks, has returned to her home in Toronto.

The ladies of Union Street W.I. won third prize on a baking exhibit at the Sutton Horse Show last week.

A corn and weiner roast will be held at the home of Mr. and Mrs. Archie Sedore on Thursday evening, Aug. 26, sponsored by the Institute.

VANDORF

Mrs. Archie Dike, Hope, spent Monday at the home of Mr. and Mrs. Jas. Oliver.

Mr. and Mrs. Bill Morgan and Mr. Rex Morgan and a friend, Toronto, spent Sunday with Mr. and Mrs. Herbert Oliver.

Mrs. S. L. Abbott and daughter, Mrs. Beverley Stokes, who have been touring the U.S.A., are visiting Mrs. Abbott's sister, Mrs. H. A. Switzer.

Miss Audrey Switzer, Toronto, visited friends last week in Haliburton and is now vacationing at home with her parents, Mr. and Mrs. H. A. Switzer.

Miss Ethel Carrigan, who has been visiting with Mr. and Mrs. James Wright, returned to Toronto this week.

Miss Joan Ewing, Holt, and Master Robert Irwin, Toronto, are holidaying with their uncle and aunt, Mr. and Mrs. Jack Irwin.

Mr. and Mrs. A. L. K. Switzer and sons of Longlac returned home this week after spending the last two weeks with Mr. Switzer's parents, Mr. and Mrs. H. A. Switzer.

Miss Ruth Oliver, Toronto, is spending a month's vacation with her parents, Mr. and Mrs. James Oliver.

Mr. and Mrs. John Crawford and family and Mr. and Mrs. R. B. Brown and family motored to Bala on Sunday and called at the home of Rev. and Mrs. Lynd.

Visitors at the home of Mr. and Mrs. H. A. White on Sunday were Mr. and Mrs. Chas. Doner and daughter, Lorna, Regina, Sask., Mr. and Mrs. Wm. Naylor and family of Toronto, recently from England.

The August meeting of the Women's Institute will be held at the home of Mrs. Chas. Richardson on Wednesday afternoon, Aug. 18. Mrs. Shoultz, Schomberg, district convener of social welfare, will be guest speaker. Hostesses will be Mrs. Nickery, Mrs. Landy and Mrs. Ball.

Vandorf Women's Institute has accepted an invitation to visit Gormley Women's Institute on Wednesday, Aug. 25.

MOUNT PLEASANT

Harvest is in full swing and the hum of the threshing machine can be heard from all directions.

Mr. Eric Thompson has bought the Wm. Abbs' threshing machine.

Next Sunday, Rev. Mr. Hueston will be in the pulpit. This will be Mr. Hueston's last Sunday as he is returning to Northern Ireland.

Miss Lucy Stiles, Toronto, is holidaying with her cousin, Mrs. Bernard Davidson.

CEDAR BRAE

Mr. and Mrs. Leon Bong have returned from their honeymoon at Muskoka and are spending a week with Mr. and Mrs. Leo Bong.

Weekend guests at Cedar Brae Lodge included Mr. and Mrs. Bickerton, Miss Ruth Martz, Mrs. Engler, Mrs. Parker, Mr. and Mrs. Keddie, Mr. Don Smith, Miss Margaret Stewart and Mrs. Beyeroff and Miss Beyeroff.

On Wednesday, Aug. 4, a shower party was held for Miss Phyllis Sedore, a bride-elect of August 7, at Mrs. Johnston's cottage. There were 65 guests and Miss Sedore received a number of lovely shower gifts, also wedding presents, and a bountiful lunch was served after the gifts were opened.

KESWICK

Mr. and Mrs. Osborn Smith, who celebrated their 60th wedding anniversary August 4, spent a happy day that will live long in their memories. Through the day they were thrilled to receive a cable from Buckingham Palace with the congratulations of the King and Queen.

About 60 relatives from Orillia, Toronto, and the surrounding district gathered to pay respects. Among them were their son, Mr. Arthur Smith, Mrs. Smith and family, Toronto, and four of Mrs. Smith's sisters and a brother from Orillia. They were showered with gifts, cards and flowers. One bouquet of roses came from Sudbury friends. Many village friends called through the day and Mr. and Mrs. Smith extend thanks to all who joined in making their diamond anniversary one of such pleasure.

Rev. and Mrs. F. E. Hyde and family, Cadillac, Mich., have been visiting at the home of Mr. and Mrs. A. R. Hobson. Mr. and Mrs. Hobson will accompany them on a two-week's trip to the New England States.

The W.C.T.U. will hold a "Mother's meeting" on the United church lawn, Thursday, Aug. 19. Mrs. Bernard Huntley, Sutton West, will address the meeting. There will be special music and a lunch. Mothers are urged to attend. Everyone is welcome.

Mrs. George Yeats has returned to her home here after a visit at her brother's on Manitoulin Island.

Mr. and Mrs. C. McCaw, B.C., have been recent guests of Mr. McCaw's sister, Mrs. E. Jeffery, and family at "Cedar Glen," Keswick. They intend to make their home in Toronto.

Miss Clare Jeffery of the Bank of Commerce staff, Toronto, is at home for her holidays.

Mr. and Mrs. Freeman Pollock and Mrs. S. Kennedy attended the funeral of their brother-in-law, Mr. John Taylor, in Leekdale on Saturday. Mr. Taylor is the father of Fergus Taylor, Newmarket.

Keswick "Lakeside" Women's Institute won second prize at the Sutton Horse Show in the baking contest. Each Institute submitted ten different articles of baking; five Institutes competed.

Keswick public school pupils also won prizes at the Sutton Horse Show. Alf Marritt's mural drawing won a first and deserves special mention as does Dorothy Smith's first-prize scarf. Mrs. Evelyn Atcheson is the teacher who looked after these entries.

Mrs. R. A. Hamilton is spending two weeks with her daughter, Mrs. Gordon McKeech, who has rented a cottage at Port Bolster.

Mrs. E. Atcheson received word this week that a former pupil, Lorna Small, had passed her entrance exams. She had lived with Mr. and Mrs. Merlin Gordon for three years and had returned to her home in Toronto to six weeks before the entrance examinations.

Miss Margaret Gilmour, Newmarket, is spending a few weeks at her Keswick cottage. Mr. and Mrs. Cowie, Toronto, are also here with her.

The 23-year-old son of Mr. and Mrs. Wm. Van Norman, Sudbury, was buried at Queensville last week. Mr. Van Norman was formerly from Keswick.

QUEENSVILLE

Mr. and Mrs. Cecil Lepard and children of Brantford visited their aunt, Mrs. Elmer Stickwood, one day last week.

Miss Ruth Stickwood is visiting her sister, Mrs. Carl Glover.

Mr. and Mrs. Ralph Stickwood have returned to Toronto after spending their holidays at Queensville, Sharon, Hastings and Bracebridge.

HOPE

The regular meeting of the Hobby club will be held at the home of Mrs. Selby Evans on Tuesday, Aug. 17. The roll-call will consist of laundry hints. Lunch committee will be Mrs. Geo. Boderick, Mrs. H. Smith, Mrs. H. Wardell and Mrs. B. McNern. Mrs. W. Wilnot will give an account of her trip to Nova Scotia.

FARM BULLETIN

PLANT BREEDERS AID FARMERS

Plant breeders are continually helping to increase farm profits. At Dominion Experimental Farms, and agricultural colleges, they make possible new and better cereals, clover, tobacco, fibre crops, fruits and vegetables. Many crops were never grown here commercially until plant breeders produced early varieties that would mature in Canada. The great wheat growing industry would not be what it is without the production of early varieties and those which resist cold, disease and insect pests.

Samuel's Wheat is a good example. This new variety escapes damage from early frosts, has good strength of

straw, and is resistant to stem rust and loose smut. Saunders is a profitable variety for prairie farmers in areas where an early-ripening wheat is needed.

Montcalm barley and Garry oats are also the result of untiring and efficient work by plant breeders and will add millions of dollars to Canadian farm income.

Like plant breeders, this Bank aims to give Canadian farmers the best possible service. You will find the manager of our nearest branch a friendly, practical man of long experience. Make use of his knowledge to help solve your money problems.

HANDS AT WORK... for ONTARIO

ONTARIO'S products are desired and purchased by people all over the world and the capacity to produce such goods largely determines the economic welfare of every man, woman and child within her borders. Because the sale of every article produced in Ontario brings valuable dollars into this Province, we all are more assured of job security... and we and our children can have more of the better things in life. To produce such goods in sufficient quantities, skilled labour is vital. That is why every single one of us should be glad that war veterans are constantly being trained to provide the skilled hands so needed by Ontario industry. They receive ON THE JOB training under expert instructors in our Ontario factories.

This training, provided through the co-operation of the Department of Veterans' Affairs, the Federal Department of Labour and the Ontario Department of Education, starts veterans on the road to skilled craftsmanship. Taught to use their hands in such jobs as routing, etching, stripping, burnishing and finishing, they will eventually become photo engraving craftsmen. Because of the increasing importance of this trade, every effort of these newly-skilled workers helps to make Ontario a finer place in which to live and contributes to the welfare and happiness of all her citizens.

THE BREWING INDUSTRY (ONTARIO)

LEARNING PHOTO ENGRAVING

R. C. Smith, 22, of Toronto, an R.C.A.F. veteran, is shown routing a plate in a large Toronto photo engraving plant. During their training, veterans are shifted from one job to another to familiarize them with all phases of photo engraving. Many veterans subsequently obtain full time employment in the factories where they receive training.

CARD OF THANKS

I wish to take this opportunity to express my heartfelt thanks and appreciation to my many friends and neighbors for the many gifts, cards, flowers, candy, etc. for the many acts of kindness I received during my recent illness in York County hospital. Marie Mitchell. c1w29

HAVE OUTING

The Harmony Club of the Christian church had an outing at the cottage of Rev. and Mrs. Fred Brockton on the Jersey River on August 9. After a most enjoyable evening a delicious lunch was served by the ladies. c1w29

CAR BOMBED

Aurora—Chief Constable Fish or Dunham is investigating a break-in of an American tourist car early Friday morning at the rear of The Chateau. Luggage and personal belongings were taken to the value of around \$150 after jimmying a car door. c1w29

IN MEMORIAM

Chadwick—In loving memory of Mr. H. Chadwick, killed in action on August 12, 1944. Sweet memories will linger forever. Time cannot change them, it's true; Years that come cannot sever, Our loving remembrance of you, Ever remembered by Bob, Rose and Bobby. c1w29

Chadwick—In loving memory of Mr. H. Chadwick, killed in action on August 12, 1944, north of Caen. Resting at Brattleville, France. While you, dear Harry, rest in sleep, Your loving memory I'll always keep. Ever remembered by wife, Norma. c1w29

Chadwick—In loving memory of Mr. H. Chadwick, killed in action on August 17, 1944. Splendid you passed; the great surrender made; Into the light that nevermore shall fade. Ever remembered, Mother and Dad. c1w29

Duffield—In loving memory of LAC Arthur C. Duffield, who died suddenly as the result of an accident on Saturday, Aug. 14, 1942. Deep in the heart lies a picture of a loved one laid to rest. In memory's frame we shall keep it. Because he was one of the best. So dearly loved and sadly missed by Dad, Mother, brothers and sisters, of Vancouver, B.C. c1w29

Lane—In loving memory of our dear father, Cuthbert Lane, who passed away August 5, 1941. We do not need a special day, To bring you to our mind; For the days we do not think of you, Are very hard to find. If all this world were ours to give, We'd give it, yes, and more, To see the face of our dear dad Come smiling through the door. Ever remembered by daughters Ruby and Dorothy. c1w29

Miss Dorothy Gray and Miss Shirley Gray and girl friends spent the weekend in Barrie.

MIAMI BEACH

Miami Beach held a field day on Saturday, July 31, with 18 different races, games, competitions and a men's novelty beauty contest, the big event of the day.

Judges at the field day were Mrs. Balitine, Mrs. A. C. Marritt, Mrs. Jackson and Mrs. Jones. Mrs. Marritt made the presentation for the special novelty beauty contest in which 15 males entered. Winner of the title, Miss Miami Beach, was Jack Cudworth.

This, the second year of the annual field day, had the larger crowd. Next year, it is hoped, will bring a bigger crowd and a better time for the record.

Please don't forget the Miami Beach corn roast and street dance August 14. Quite a number of people from this community attended the Sutton house show last week and all reported that it was a wonderful show.

Miss Ivy Whitehead, Toronto, spent a week with her sister, Mrs. Bob Mathews, and family. Miss Whitehead has returned to Toronto.

**Young Hopefuls**

By DOROTHY MUIR BOWMAN

Edith, 12 years old, learned little in the regular classroom, but responded well to training in an opportunity class.

When Edith first started to school, she seemed as ready for learning as the average little six-year-old. However, it was soon discovered that she couldn't concentrate to the extent of the other young beginners. Everything, especially sounds, seemed to disturb her. Edith's mind wandered too easily from the class work.

At the end of two years, Edith was admitted to an opportunity class. There were fewer distractions in this class—partly due to the fact that there were about half as many pupils in the class as compared with the number in the regular classroom.

Edith was classified "not academically-minded, but practical-handed". As a result, she was given minimum assignments in reading, writing and arithmetic, with more attention devoted to training her hands to be useful.

Simple sewing seemed to interest Edith more than anything else. Another characteristic that enabled Edith's teacher to plan a further practical training program for her was her interest in children younger than herself.

Edith was given practical training in baby care. She learned to care for little babies by practicing on a baby doll, a life-sized one, provided for the purpose. Edith spent hours bathing, feeding and changing the baby doll—learning about formulas, hygienic principles, daily routines by the clock, etc. She liked to spend her free time sewing for her baby doll.

Now at the age of 12, Edith is always in demand to look after babies after school hours and on school holidays. Edith loves her little charges and can be depended upon to look after their needs. She is proud of her skill in handling babies and takes delight in showing off her technique to mothers who haven't learned the art of keeping their babies well and happy.

For those boys and girls who are not academically-minded, but practical-handed, it might be of real benefit to them if their education included more time spent training them in a skill, which would help them earn a decent living and live a respectable life in their community.

LEAVE FOR MARMORA

Rev. and Mrs. G. H. Bache and family will leave for their new charge in Marmora on August 24. Mr. Bache has been the minister at the Newmarket Free Methodist church for the past five years.

Succeeding Mr. Bache will be Rev. R. G. Babcock who comes from Verona. Mr. and Mrs. Babcock and their three sons are expected to arrive in Newmarket before the end of August.

MARRIED IN SAULT STE. MARIE

Pictured above are Mr. and Mrs. Hugh Collier who were married in the First Baptist church, Sault Ste. Marie, Saturday, June 19. Mrs. Collier was formerly Sybil Lenore Franklin, daughter of Mr. and Mrs. Frank Stickland, Newmarket.

COLLVER-FRANKLIN WEDDING AT SOO
Of interest to many was the marriage ceremony uniting Sybil Leonora Franklin, daughter of Mr. and Mrs. Frank Stickland, Newmarket, and Mr. Hugh Constantine Collver, son of Mrs. Elam Collver, Sault Ste. Marie, and the late Elam Collver.
The wedding ceremony took place Saturday, June 19, at 2.30 o'clock in the afternoon, in First Baptist church. Rev. Duncan MacGregor officiated. The church was artistically decorated with baskets of cut flowers, peonies, lilies and lilacs.
Wedding music was played by Miss Elsie Merrifield and soloist, Mrs. Harry Benson, sang the hymn, Nearer Still Nearer, prior to the ceremony and O Perfect Love during the signing of the register.
The bride, who was given in marriage by Mr. William Rae Sr., was in a formal gown of white taffeta with a full skirt, sweetheart neckline and short shirred sleeves. She wore a long veil held in place by a pretty Spanish style tiara and long silk gloves. Her only jewelry was a four-strand pearl necklace, a gift of the groom. She carried a bouquet of American beauty roses and bouvardia tied with white floral ribbon.
Miss Eva Depew as maid of honor selected a gown of aqua taffeta made on lines similar to the bride's gown. She wore a headpiece of tiny pink roses with a shoulder-length veil and matching gloves. Her bouquet was of Talisman roses and bouvardia tied with floral ribbon.
The two little flower girls, Miss Gloria Pinnell and Miss Sheila Smith, carried nosegays of pink rosebuds and sweetpeas. Miss Pinnell's formal gown was of pink nylon with pink head-dress and Miss Smith's was pale green net with white ribbon and a headband of white flowers.
Just preceding the marriage vows the congregation sang the inspiring hymn, O God of Bethel and at the bride's request were seated during the ceremony. Mr. Warden Pinnell was best man and Mr. Harry Benson and Mr. Donald Smith acted as ushers. White boutonnières were worn by the gentlemen of the wedding party.
The church parlors were attractively decorated by some of the young people, with pink and white streamers, bells and baskets of cut flowers for the reception given by the ladies of the church in honor of their former missionary, the bride. Her many beautiful gifts were on display.
The newlyweds left in the evening by motor for Newmarket and other eastern points. For travelling the bride donned a blue suit with a black mohair hat and matching accessories.
Out-of-town guests at the wedding included Miss Belle Collver, Mr. Emerson Collver and Miss Grace Collver, Thessalon, Miss Doris Underhill, St. Joseph Island, and others. Relatives from Little Rapids were unable to attend due to an accident.
Prior to her marriage the bride was feted at a social evening and presentation given by the First Baptist church choir at the home of Mr. and Mrs. R. McCallum, at a miscellaneous shower given by Miss Mary Neal and Mrs. R. Levie, at a kitchen shower given by Mrs. A. Galbraith, Mrs. W. Pinnell and Mrs. C. Hallam, at a miscellaneous shower at the home of Mrs. P.

The Common Round...
By Isabel Inglis Colville
THE CASE OF THE LEAFY TUNNEL

Perhaps all my readers do not like mystery stories as well as I do, but this is just a little different from the ordinary.
One day Beauty, the temperamental cat belonging to the other half of the family, said to me, the way our cats do, while entering a box behind a dressing case, "This is where I intend to deposit my kittens when they arrive."
Knowing Beauty and that it was useless to reason with her, I looked in the box as requested and then followed her downstairs and announced her decision to Archie, while Beauty mounted his knee and with various cat blandishments informed him that she wanted to keep all her kittens.
"But she can't," I cried. Archie shook his head in silent agreement, while Beauty listened and watched and no doubt at that moment made her decision.
Most of the afternoon she stayed in her box, but when night came she demanded her supper and went out.
"That's strange," said I, but the man of the house said, "She'll be back by bed time." But bed time came and Beauty did not return.
Breakfast time brought Stripes and Blackie, one at the front door, one at the back, for our color feud still goes on, but no Beauty appeared. The day wore on, but still the absentee came not. Stripes sat around looking smug and self satisfied; quite as if he knew something we did not and Blackie licked his chops in a reminiscent way which made me wonder if he might have indulged in a cannibalistic feast.
This went on for three days. On the fourth, we were at dinner when a familiar "mew" greeted us and there was Beauty! We gave her a warm welcome but she would have none of it. She demanded food, lots of it, and no nonsense.
"I'll watch where she goes," said Archie and went out to start to cut the lawn. But Beauty is no ordinary cat. She must have taken a course in pursuit. She sat down outside and began an elaborate toilet, and that, as if she had no other object in life. Archie thought he'd turn and pick up some cones. It was only a minute's work, but that was enough, when

Homemakers' Exchange
Jellied meats and meat loaves are a good means of making a small amount of meat go a long way. At the same time these meats are suitable for hot days because they can be prepared in the cooler part of the day and served when desired.

ideas, we deposited the kittens in a little corner and before they were there a minute she was trying to get them away. We changed their bed, however, and left them.
That night Beauty led us to the kittens, but growling in a perfectly fiendish fashion. This is the mystery. There, before our startled eyes, lay the largest kitten, dead!
She had dragged it off, or something had, to one side and there it lay. Now who killed the baby? Did Beauty dislike its appearance, or did Blackie sneak up and do the evil work? There was no clue; only Beauty's growls. The only other time I ever heard a mother cat growl at her kittens was when two of them were born blind and she would not own them, just growled.
Now we are faced with a hunger strike. You see, two more of the kittens disappeared in a not so mysterious manner. Beauty refuses to leave her one remaining treasure and also refuses food.
For two days she neither ate nor drank nor left her nursery. Today she accepted a little warm milk and morsels of food so we are in hopes that normal living will again reign in cat land.

JELLIED VEAL LOAF
2 1/2 Lbs. veal shank
2 Qtz. boiling water
1 Tsp. salt 1/2 Tsp. celery salt
1 Tsp. chopped parsley
A pinch of thyme
2 Tbsp. gelatine
1/4 Cup cold water
1 Tsp. onion, chopped
1 Hard-cooked egg
Simmer veal in water with salt, celery salt, thyme and parsley until meat falls from bone — about 1 1/2 hours. Strain liquid and save (There should be about 2 cups.) Chop meat (There should be about 2 cups.) Soak gelatine in cold water for five minutes and add to hot, strained veal stock and stir until dissolved. Set aside to chill. When it begins to stiffen, add onion and chopped meat. Slice egg and place slices in bottom of a wet or greased mould. Pour meat mixture over egg. Chill until firm. Unmould and serve on lettuce. Yield, 8 to 10 servings.

Ladies' softball: Coming up for decision is that "crucial series" with Midland Parkside. The teams clash tonight here and Monday up on the Georgian Bay shores. Yes, a single win by the local ladies could clinch the top spot in the group, but a double triumph is what the ladies will be gunning for. The regular schedule winds up August 18. The P.W.S.U. (Provincial Women's Softball Union) draw has been announced and behold, if present plans are carried through, it means a boost for the Lions club carnival. Newmarket ladies will go against the winners of Brampton and district league on August 18 at the S.S. school diamond, the first evening of the carnival. Nice timing indeed.

North Yonge softball: Last Thursday the Vets were in a battle with Langstaff on the Yonge St. diamond. It was a 7-2 decision for the "Staff". As usual, the unusual happened. "Joint" McComb was ousted by umpire Proctor from the fray with Ted Taylor going in a relief role. Chuck "Peaches" VanZant had his toe fractured by a foul right off the bat. "That's my miss for this year," quips Chuck. The injury won't sideline him for long. Chuck is finding the pressure of ball a

Two Wins By Midgets Taken From Aurora

Ross Goheen's midget softball stars have done it again. They made the short hop to Aurora Wednesday night for a return engagement with Aurora's "South End Kids". The Goheen lads came back with an 18-13 win to boot about.

Bob Attwell and Johnnie DeLaHaye shared the mound duties for the victors with Bob Kincaid

toiling for the Aurora side. The battery mates, John Steadman and John DeLaHaye, featured the Newmarket offensive with a barrage of base hits. Second sacker B. Cook lashed out for a homer for the visitors.

Line-up: Newmarket, D. Mair 2b, J. DeLaHaye rf and p, A. Martin 3b, B. Burch 1b, J. Steadman c, B. Broadbent ss, D. Brice cf, B. Attwell p and rf, W. Lund lf.

For Aurora "South End Kids" were B. Kincaid p, R. Geddes c, Martin 3b, Cook 2b, Marsden ss, Harman 3b, Andrews rf, Case cf, K. Fines lf.

Not satisfied with taking care of the "South End Kids" coach Ross Goheen has his sights set on two other Aurora softball squads. With this in mind his "Stars" locked in a trial with Aurora's Middletown "Panthers" on Monday evening at Pantry Park. Newmarket midgets came out of the struggle with a 33-10 decision. Once again it was the heavy hitting of John Steadman and John DeLaHaye that featured the win. Steadman collected two triples, three doubles and a single, DeLaHaye one triple, three doubles, a single and a walk. Top that kind of slugging if you can.

"Ding" Mair and John DeLaHaye split up the hurling chore for Newmarket. Billy Rae tossed them up in the losing cause. Catcher Ken Fines socked out a solo homer for the longest extra base blow for the visitors. The teams meet in Aurora Wednesday night.

That magic word play-off has been sounded for the Lions Midget ball hawks. They are two up on Stouffville for the group title. In fact by the time you read this they may have a third win tucked away and the league title in the palm of their hand. If such is the case it will be Weston next stop in the first round of the O.B.A.

Our bantam ball squad, an outgrowth of the Lions summer program, is headed for a round robin series with Stouffville and Markham. The winner will step into the O.B.A. play-downs. Haven't seen "our banties" in action as yet but the good word is they are hep with plenty of hustle and bustle. They are billed for Stouffville tonight for the first game.

Simcoe League Hits Finale

GEO. HASKETT, JR.

Surprise, surprise. Now what have we here, Zephyr licking Mount Albert 6-5 and right in the Mount at that? It was Mount Albert's second loss of the season and tightens up the already hot race. Doug Ross opened on the hill top, Zephyr nicking him for four runs, "Red" Mitchell then taking over to limit the Blues to two runs. Ron Kester pitched a nice game for a winning effort. Zephyr indeed made the most progress with two wins since last putting you wise to the doings up around the Simcoe circuit. The Blues at home experienced considerable trouble before putting Sharon to sleep 6-4. Ron Kester was again the winning moundsman with Ivan Eves taking the loss. The Blues bunched their hits in the fifth for four runs, an added another in the sixth to overcome a four-run lead built up by Sharon. Bob McNern homered in the Sharon lads' behalf.

Sharon ran into a mess of trouble at Vandorf. Vandorf scored all seven of their runs in one big frame to record a 7-4 victory with Ivan Eves running in to a wild streak to walk three in a row and losing the verdict right there. Harold Farr, second sacker for Sharon, went big league around the keystone sack. Bob McNern dished out his second four base blow of the week. The Keswick powerhouse swung into action again last week to sew up an 11-5 decision over their nearest neighbor, Willow Beach. Keswick sluggers Bob Pollock and Ken Hodgins teed off for home runs off Cec McNeill. The Keswick fans raved about the Hodgins effort "the longest blow ever seen in the park right over the school house". Behind this hitting Harold Smith had a fairly easy time recording a win.

Skipper Harry Brammer of the Pine Orchard nine saw his team slip back a notch as Willow Beach and Hope downed them. They reversed the count when Willow Beach paid a visit Tuesday night. At Hope in a thrilling "to do", Pine Orchard lost 1-0. It was a pitchers' duel between Don Glover and Ted Tidman, Hope getting the lone run midway in the fray, at that, on an infield error or they might have still been at it. At Willow Beach, Pine Orchard, until the final frame, led 7-6. The Beachers got cracking to put the scorers to work for two runs and win the tilt. Pine Orchard got revenge Tuesday night as they eased out a 9-8 win at home over Willow Beach. The game went five innings. Willow Beach was two up in the fifth with Pine Orchard chalking up a trio of runs to pick up those mighty important points. Ted Tidman bested Cec McNeill in the mound work.

Hope made a perfect week of it. They floored Vandorf on their own ball orchard 11-3 Monday. Hope, with Don Glover on the mound, was riding high going into the seventh. Glover had a shut-out in his grasp but Vandorf broke their string of goose eggs with a three-run production. Lloyd Preston on the Vandorf mound had to accept the loss.

Are you listening, Mr. Vice-President Bob Pollock? Here's where you go to work. League prexy Ross Chapman is heading west this week for a month's vacation. Happy landings to the boss. Carry on men.

The last word from Prexy Chapman is that the game the fans have been waiting for, Mount Albert at Hope, a postponed fixture, will be up for decision Friday night. Sharpen up the scythes, boys. The final week will bring together: Aug. 13, Sharon at Willow Beach, Pine Orchard at Keswick; Aug. 16, Hope at Sharon, Mount Albert at Vandorf; Aug. 17, Brown Hill at Hope, Zephyr at Pine Orchard; Aug. 18, Vandorf at Keswick; Aug. 19, Pine Orchard at Mount Albert; Aug. 20, Keswick at Willow Beach, Brown Hill at Zephyr.

It's getting to be a regular habit and, I might say, a habit the local fans appreciate. That's the way our ladies' softball team is bowling over the opposition. Last Thursday "our gals" did it again. They bopped over Barrie Valley's 8-2 to run their string of victories to four.

Edith Dow serving up the assortment for the local contingent laid the ground work for the win with a neat three-hit pitching performance. Edith got the kind of support from her mates that makes pitchers happy. Both the infield and outfield work was perfect; there wasn't a sign of an error to behold. Over most of the route the Valley's went down in one, two, three order.

Skipper Courtney handling the team in the absence of coach Chuck VanZant, who was away with the Vets, had his squad tallying runs in all but one inning. They went to work for two in the first as Mary Osborne's single sent sister Phyllis across the plate and then counted herself on an infield roller. Edith Dow chalked a lone run in the second as Mary Ellen McInnis dropped down another near perfect punt. It was three in the third as Mary Osborne, Lois Manning, Lois Blight and Edna McGrath all dished out consecutive hits.

It wasn't until the third that a Barrie runner got a chance to show on the base paths. Dot Miller, the opposition pitcher, walked, stole second, arrived at the three-quarter mark on a wild pitch and trotted home on an infield out for the first counter. The visitors found time for their other marker in the sixth. It came as a result of two walks and a stolen base.

The local lassies wound up their scoring with single runs in the fourth and fifth with Margaret Arnold and Lois Manning supplying the hitting power.

Centre fielder Lois Manning was quite the hitter with a three for four mark. In fact the whole team, with the exception of Edith Dow, tapped out at least one single to add to the fun. Phyllis McInnis had a busy time of

it around the keystone sack with eight infield chances, all handled perfectly; she slapped out her usual two hits. Margaret Arnold came through with two timely bingles, both doubles.

It's the crucial series, for first place, tonight with Midland the visitors and off to Midland Monday.

Second place in the North Yonge softball league was the prize the Vets and Langstaff were striving for Tuesday night at the local diamond. When finish was written in the gathering gloom, it was Langstaff who ruled the roost with an 8-7 win over our hopefuls.

Langstaff hopped into an early lead. Powered by the busy bat of Bill Bowen who was chasing outfield flies in the early stages, the visitors pushed over two runs on Bowen's home run with Herb Rose on the runways. The invaders went for a single in the second. Another home run ball served up to Ken Darling by "Joint" McComb gave them a trio of runs in the fourth.

The Vets made their big stride to get back in the hunt in the fourth. "Chuck" VanZant fractured toe and all was the big noise in the run making. Chuck stepped in with three mates on the base paths and tripled to plate two. That should have been three but Tod Mosier was nipped at the plate. Bus Carter playing short for the Vets who hails from Bradford by the way, opened the big frame with a single; "Joint" McComb doubled to score his mate, Fred Dillman singled with the second marker. The Vets loaded up the bases as Don Glover was on, on an infield miscue; Tod Mosier walked and Chuck VanZant made his bid, pinch hitting at that for Harry Rose to register two. Chuck chalked up his run, the Vets' fifth, on Joe Tunney's second double of the tilt.

That put the Vets back in the game. They trailed 8-5. Langstaff put two more over in the seventh as Jimmie Reid blasted out a two-base blow with Bill Bowen and Harold Echlin on the sacks. The Vets trailed 8-5 going into the bottom half of the eighth. In the gathering darkness the McDonald crew, Coggins in the new coach of the Vets incidentally, made a bid to tie the game up. "The end. Chuck VanZant registered at the pay-off window but Bill Bowen halted the rally before the tying run could be manufactured.

Lions Midgets Lead, One Win Needed

GEO. HASKETT, JR.

Two up—one more win needed to oust Stouffville is the headline feature concerning midget baseball this week. The North York Lions League finals got under way last Friday at Pantry Park. Newmarket Lions breezed to an easy win over Stouffville 21-2. It was the same story again Monday only to a lesser degree as coach Bill Haskett of Lions took his club into Stouffville and won the second game 10-5. One more win will clinch the championship for our lads. Then their first test in the O.B.A. will be against Weston midgets.

Featuring last Friday was the heavy slugging of the local Lions. The "Roar Laddies" pounded three Stouffville moundsmen to a fare-the-well for 11 hits which, coupled with a round of Stouffville miscues, gave us 21 runs. "Ducky" Davis started on the mound for the invaders and went out in the second. Lorne Bowdway followed end survived a barrage of Newmarket safeties for an innings. Dunc McGregor went in to complete the game but his fate was about the same. The Lions shelled him heavily.

Third sacker Don Duncan was a mighty potent force at the plate for the Lions with a home run, a triple and two walks in five trips to the dish. Harold Stevenson chipped in with three hits, all singles, for his share in the hit parade.

Jerry Simmons, up from Aurora to bolster the canal town contingent, came near, ever so near to making the hall of fame with a one-hit pitching performance. Don McGregor, Stouffville's first sacker, cracked a drive through the infield for that in the sixth, to spoil a no-hit performance.

"Ortie" Thoms, back to do or die for the Lions, strolled to the hill-top at Stouffville Monday.

O.B.A. Announces First Round Draw

The North York Lions League will be well represented in the coming play-downs as the O.B.A. announces the draw for the first round. Stouffville will carry the North York banner into the intermediate C ranks and will meet the winners of the tri-county league.

Aurora Juniors are slated to go against Sutton Juniors in their first round activity. Doug James, manager of the Markham juveniles, is ready and raring to step into Bowmanville in their first O.B.A. activity.

When Newmarket and Stouffville midgets get through settling their differences they will try conclusions with Weston. Markham bantams have drawn a bye in the first round.

MOSTLY INCIDENTAL

John Stuart, ex-Aurora boy, may not be seeing many of his horses come home in front this summer but he's able to pick them for himself. On civic holiday he had three tickets on the One-Two at Hamilton, paying off at \$647.55 each. The parimutuel clerk gave Mr. Stuart a century note too much in the excitement, not discovered by the clerk until Mr. Stuart returned the 100 to the wicket. At the track, as at the bank, the lads who make a mistake face having it off their pay cheque. Austy Baker, well known Markham hockeyist, was married last week to Miss Irene Myrtle Ridge, Toronto. The marriage cemented further the long bonds of friendship between Austy and his teammate from the teens, Bob Lawrie, for they are now brothers-in-law.

Sparky Vail, ex-Newmarket hockeyist and Aurora Blue Ribbon baseballer, is still pitching mighty sweet baseball. When we were up north recently, Vail had just won three in a row. Eric Smith has received his O.H.A. trophy for being the most valuable player on the '48 Aurora Flyers and it is a handsome trophy, standing around six inches high on a high base and nicely engraved. There was no official presentation.

Ray Castalar, Woodbridge, right now is rated just about the top player in the intermediate lacrosse circuit. Castalar, Roy Thompson, Maple, Johnny Cornelius, Orangeville, Wilson, North Peel, Martin and Bomberry, Oshweken, Stan Foster, Maple, Milt Burrows, Woodbridge, are some of the topnotchers around the circuit according to the railbirds. Son Rowntree, Woodbridge, is really doubling in brass this year. Rowntree, aside from his lacrosse playing, is coaching the Woodbridge girls' softball club and playing third base for the Woodbridge club which will enter the OSA playdowns. Never a dull moment in the Rowntree family.

Hush my big mouth, but rumor continues to circulate that Aurora Flyers will move up to junior B this winter and there will be a definite tie up with one of the N.H.L. clubs which will result in some smart player moves this way. It is suggested that Bill Mitchell, now golf professional at the Highlands club, will remain in Aurora to mentor Aurora juniors. "Red" was with Kansas City last winter and is, of course, Chicago Black Hawks' property. If Mitchell can be secured, it will be a big moment in hockey history for the local club and his personality and practical knowledge are well suited for coaching teen-agers. All this may sound like wishful thinking and summertime dreaming, but by one or two Aurora folks' efforts are being made to see if it can't come true. Keep up the good work, gents, and those fingers crossed.

Horace Kendall, athletic director at St. Andrew's College, is proving that determination and effort still work. Building his own home on Wellington St. east, "Holly" with no practical knowledge or previous experience in cement work and carpentry, has done a job that looks and is as good as that done by professional talent. When he needs extra help he goes out and gets it and when he doesn't know, he asks or tries and tries until it's letter perfect.

Stouffville intermediate baseball club awaiting the OBA play-offs has been playing a heavy exhibition series of games and doing pretty well. They have discarded the "hat" or "coffee pot" method of raising funds and are charging a straight two bits now with good results. Incidentally it was softball that introduced the collection idea in these parts as baseball and lacrosse in enclosed parks regularly charged 25 cents admission or less but had a regular take. That goes for the Aurora town park where the gate was regularly tyled and there were few invaders who didn't pay. In recent years those who take around the hat can tell you of regular patrons who leave the park momentarily as the hat is passed or else keep circling the park ahead of the collectors. Coppers and nickels comprise the main portion of most collections and no teams can hope to carry on with fare like that. Aurora juniors will of course move up to a regular admission charge when the play-offs start.

Two veterans of the sports world, better known to our elders, passed away recently. At Bradford, William L. Campbell, local druggist and brother of the famous Dr. Lew Campbell, died suddenly and at Sunderland the late James Anderson was stricken while watching a baseball game. The late Mr. Campbell was an expert at lacrosse, cricket and track and field in his day. Mr. Anderson was a former baseballer and one of the main supporters of Sunderland teams and one of those responsible for the new arena. Both had served their communities faithfully and well over the years. Frank Griffiths is slated to look after Aurora arena for the Aurora recreation council this winter according to those in the know. Figure skating classes will be sponsored by the council, according to present plans, in co-operation with the Toronto Skating club.

Lacrosse Thriller Taken By North Peel

GEO. HASKETT, JR.

How long has this been going on? Maybe it's escaped your notice. We'll be disappointed if it has. Newmarket has a lacrosse team this year. The first time in 15 years. I put the question to Tom Doyle, who will need no introduction to any lacrosse fan in this district. What do you think of the boxlacrosse brand? "Well, it's entirely different from field lacrosse. The present Newmarket club has the talent if they are held to together to produce a winner next year. Last week's game with North Peel had lots of action. The Newmarket squad is showing improvement." Ang West, another regular patron at the games says, "Action, lots of action is what I like at the games. One look by the fans will bring them back again."

It's a fact "our team" hasn't been able to latch on to a win as yet. Luckily, however, the team has been making rapid strides under the watchful eye

of coach Jack Tweedie. For instance in Hespler, the team went down to an 8-4 decision. More recently still, last Thursday, in a tilt with the third place North Peel aggregation dropped a 9-5 decision.

Believe me, there wasn't anybody lined up after the fray at the box office for their money back. The game had everything. North Peel gained their margin with four goals before the half-time whistle. After that the present Newmarket lads were every bit as good, in fact as one fan so nicely expressed it, "if Newmarket had lots of action, the North Peel would have been ours".

Referee Vipond sent 14 to the penalty box for a cooling out. Centre Art Woods of our gang and Gord Wilson of the visitors learned the hard way that you mustn't fight; they got five minutes for their pains.

Newmarket's five goals were spread around generously, one each going to Ken Hirtz, Art Woods, Bill Heffner, Tom Cooney and "Chucker" Dunn. Ken Hirtz got credit for a soffit, the visiting net minder put the ball into his own net. That netminder, incidentally, was their subgoalie, the regular one, Geo. Baker, having to leave the game for repairs as he stopped a hot shot from the stick of Les Digby with his cheek bone. Baker didn't return; at first it was thought the bone was fractured but examination at York County hospital indicated only a bad bruise.

So if you like your sport action, fast and furious, often rough and ready, lacrosse is your game. It's the Six Nations Indians here Thursday. Better sharpen up the tomahawk and hurry, hurry down tonight to the arena. This is the night we're winning. Correct me if I'm wrong.
